DIRECTIONS FROM GEORGE AIRPORT TO CONRAD PEZULA

From the George Airport, take the N2 to Port Elizabeth / Knysna. The best way is to turn RIGHT when leaving the airport entrance, then turn left onto the N2 dual carriageway (George Airport is very small - not possible to get lost). The N2 passes through the Wilderness, Sedgfield and then into Knysna.

The drive is approximately one hour and it is very scenic. NOTE - there are many changes in speed limits along this route, and just as many speed cameras, so please observe the limits carefully!

Travel through the town of Knysna, then at the last traffic light, on the right, you will see a Kwik Spar and Caltex Garage, straight after this, look out for an intersection with a road to the right called George Rex Drive. It is signposted to 'The Heads', Leisure Isle & Pezula. Turn right here and travel along George Rex Drive, passing the Knysna Golf Course on the left. Turn left into Wilson Street, (watch out for the speed humps, some of them are very nasty) then turn right at the traffic-circle into Duthie Drive. This is the road up to Pezula. Proceed all the way to the top of the hill, straight on, and the Conrad Pezula Resort & Spa, and Pezula Golf Club will be on the right hand side.

FROM PLETTENBERG BAY/ PORT ELIZABETH

Follow the N2 from Plett to Knysna.

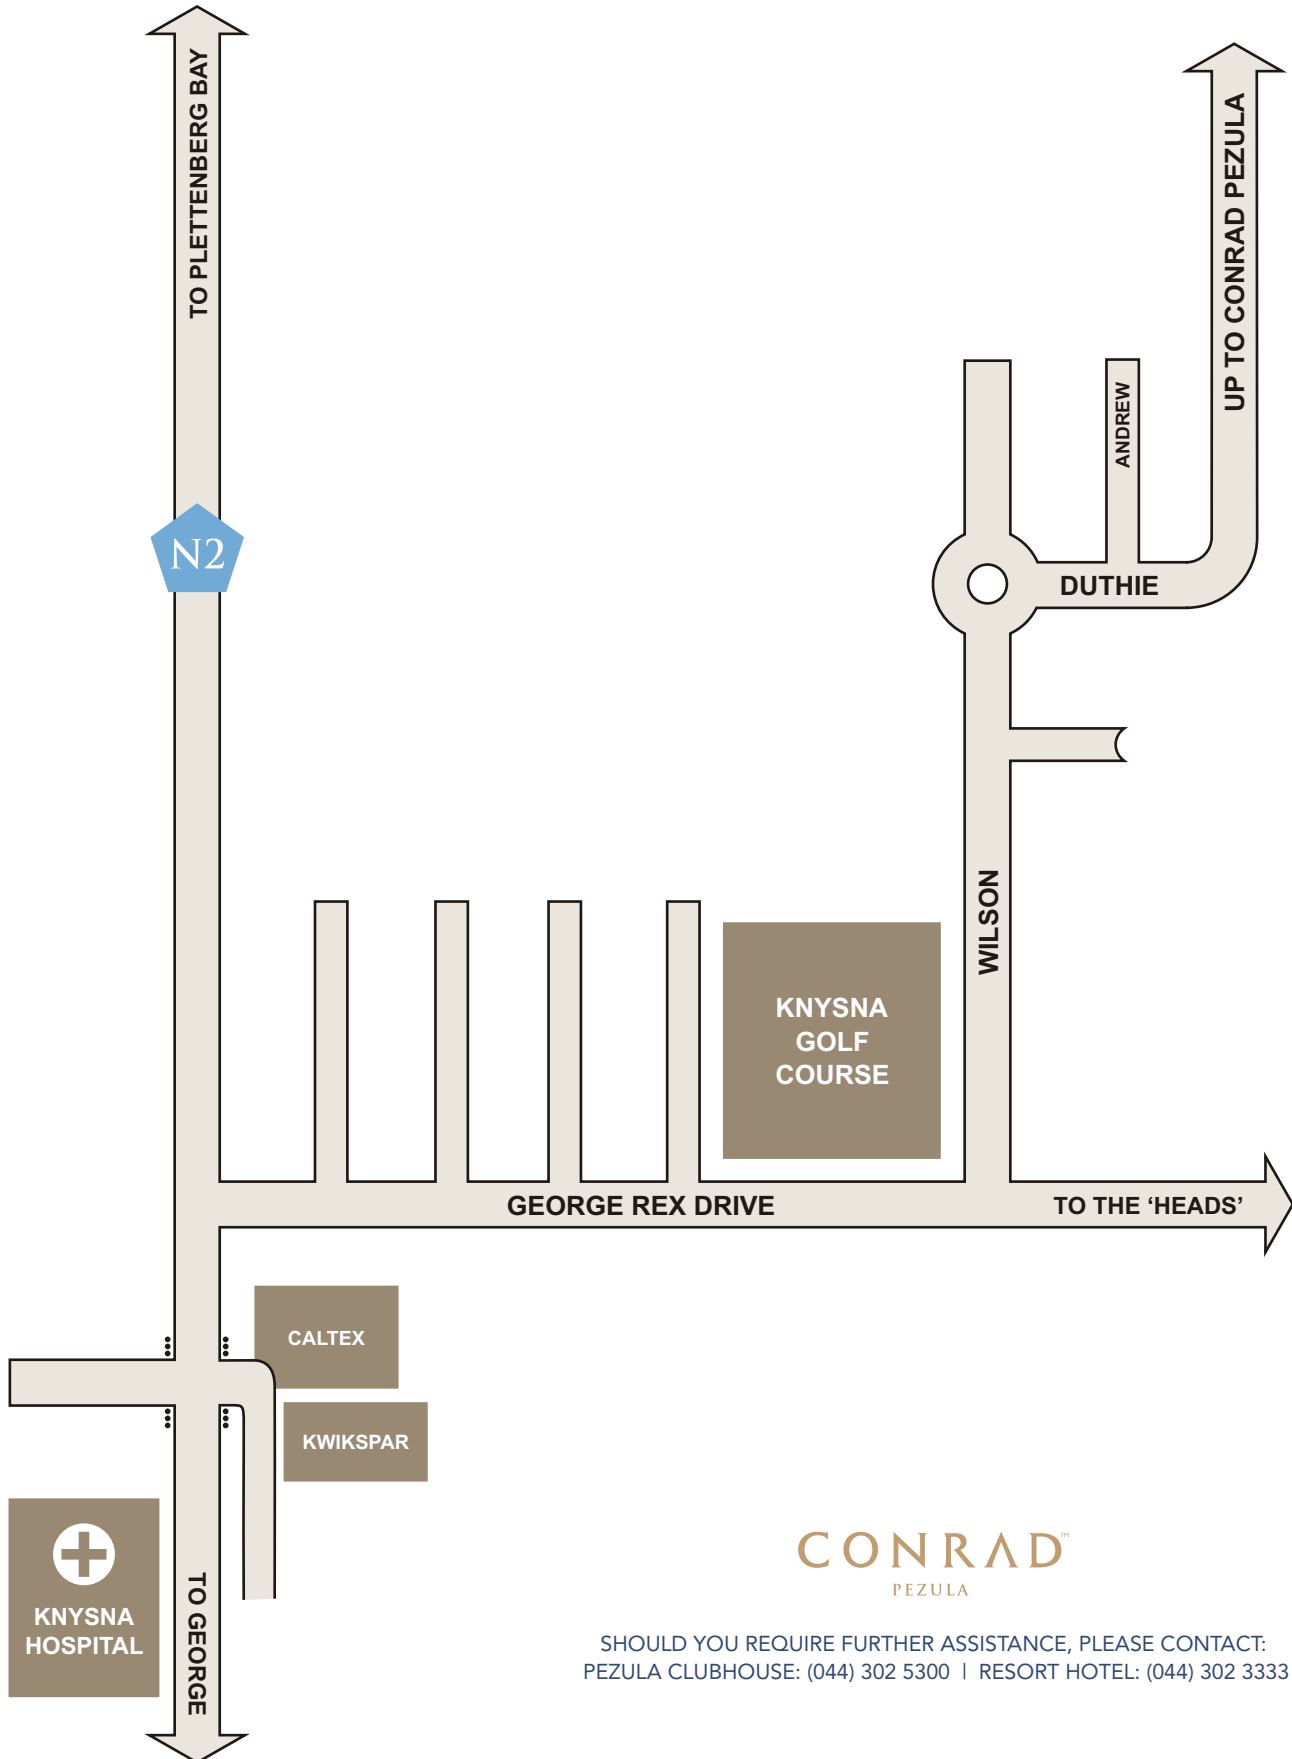

After cream-pink Cluster houses on the left, before the Caltex Garage, slip-off road to left into George Rex Drive (road to Knysna Heads/LagoonView). Immediately after Knysna Golf Club, turn left into Wilson Street, (Pezula Signboard) round the circle (3 o'clock) and follow Duthie Drive up the hill to Pezula.

FROM GEORGE

Follow the N2 from George to Knysna. Continue through Main Road of Knysna past hospital on the left. After Caltex Garage on right, turn right into George Rex Drive (road to Knysna Heads). Immediately after Knysna Golf Club, turn left into Wilson Street, (Pezula Signboard) round the circle (3 o'clock) and follow Duthie Drive up the hill to Pezula.
