

## BALINESE EXPERIENCE

*Embrace the mystical charm of Bali*

11 HOURS

We invite you to embark on a journey to discover the roots and soul of Bali through its art and culture, with an experience like none other, creating everlasting memories and a profound respect for the heritage.

The journey begins at 0730 hrs from Conrad Bali, where we will guide you to the Tirta Empul Temple for a bathing and purification ceremony conducted by a Hindu priest with offerings made during the ceremony.

The journey continues to the Gunung Kawi Temple, a legacy of the 11th Century Udayana royal family, while passing the lush rice terraces of Tampak Siring along the way. The temple is dedicated to King Anak Wungsu and his favorite queens. Comprising of 10 rock cut shrines, and towering above at seven meters high, it is truly a sight to behold.

A set menu lunch will be served by the Tjampuhan River, at a restaurant whose charming design brings you closer to being one with nature.

As we take a leisurely journey to Semana Village, we invite you to explore the artists' villages of Batu Bulan, Singapadu, Silakarang, Tebongkan and Sayan, and to get up close and personal with the artists to find out more about their craft and how they find inspiration for their works, as well as purchase some if you so desire.

We continue the journey with a short scenic trek to the picnic spot, where a luxurious foot bath ritual by the Ayung River awaits. Then, our signature experience begins, as you rest in a tented house pitched amidst Ubud's green hills. Savor a luxurious picnic cum high tea with a lavish menu of the finest treats, as a small traditional dance serenades the experience. The divine experience is completed as the sun sets over the hills.
