### **Conrad Manila presents a Haven for Smart Luxury by Manila Bay**

**MANILA, Philippines – July 1, 2017** – Conrad Manila presents guests with a haven for smart luxury by Manila Bay with its 347 guest rooms, dining and leisure options. The Hotel is owned by SM Hotels and Conventions Corporation, a subsidiary of SM Investment Corporation and managed by [Hilton Worldwide](#). It is strategically located at the forefront of the Mall of Asia complex, in the heart of the 42-hectare Bay City development, a destination earmarked as a shopping, leisure, and business hub.

Inspired by the shipping vessels that ply the bay, Conrad Manila's architecture is both distinctive and intuitive. All 347 guest rooms and suites feature motion sensors that adjust the air conditioning switches from energy-saving mode to cool and automatically open the curtains with ambient lighting set to match the time of the day. Guests are treated to heightened luxury with a 42-inch flat screen HDTV with an IPTV menu, Wi-Fi and wired Internet access, Nespresso machine, Bluetooth-enabled entertainment technology and hydrotherapy rain showers. Suites and executive rooms offer picturesque bay or city views, with access to the Executive Lounge, and bathrooms that feature in-mirrored TV for an uninterrupted entertainment experience.

Located on the third level of the hotel is the infinity swimming pool, inspired by the pristine coastal seas of the Philippines with its coral shape. Guests may also slip to the 24-hour Fitness Center or the Conrad Spa, which offers a variety of locally inspired treatments using organic ingredients. The spa has six treatment rooms with soaking tubs, a private sauna, and steam facilities.

The hotel has five restaurants and lounges, including a coffee bar, pool bar, and in-room dining prepared by the culinary team led by Executive Chef Thomas Jakobi. Featured at Conrad Manila are:

- **Brasserie on 3** offers an eclectic mix of sustainable and organic dishes ranging from hearty to healthy dishes. The restaurant also features alfresco dining overlooking the bay, private dining rooms for intimate celebrations, and an exclusive Chef's Table, where diners may enjoy a special tasting menu with a curated selection of organic wines.
