

Mizuki Spa & Fitness O2 Intraceuticals Special Promotion

The application of oxygen under light pressure mimics a hyperbaric chamber where oxygen is delivered to the skin along with Vitamins A, C and E and Antioxidants to help neutralise free radicals. This treatment greatly improves skin hydration and volume and instantly reduces the appearance of fine lines and wrinkles, making skin looks visibly lifted, younger and luminously radiant. Intraceuticals has become a regular feature on movie sets, backstage at concerts and at the world's most influential fashion shows.

Rejuvenation

60min ¥20,000 ++ ¥25,300 inc. Tax and Service (Regular price: ¥31,625)

This skin quenching treatment provides the ultimate in intense hydration. Perfect for all skin types, the Rejuvenate Professional Serum contains vitamins and antioxidants that dramatically lift, tone and hydrate the skin.

Anti Wrinkle

90min ¥24,000 ++ ¥30,360 inc. Tax and Service (Regular price: ¥37,950)

This targeted treatment is the perfect, non-surgical alternative to more invasive procedures. Natural amino acids instantly firm, lift and plump your skin for a dramatically reduced appearance of fine lines and wrinkles.
